35% target this Thursday

Gentlemen,

It is imperative that every card we have gets turned in before our 35% National Target Date on Thursday, November 12, 2020. We need to make sure that as many Detachments as possible hit this goal. Don't wait to turn in cards. If you have paid memberships on hand, process and transmit them immediately.

As of our November 5, 2020 National Membership Report, the Central Region is at 35.19%. Congratulations for making our goal. Now let's get our Squadrons and Detachments to increase their numbers, no matter what their current percentage is. **EVERY CARD COUNTS!**

Congratulations to the Detachments of Wisconsin, Iowa, Illinois, Minnesota, and Ohio for reaching the 35% goal. As you will see in the membership report, we have Detachments who are far exceeding our targets dates and are well on their way to reaching quota. Let's all follow the lead and see if we can get everyone's numbers up and show the nation how strong the Central Region is in our membership program.

If you are not doing so already, please look at using [MySAL](#). This tool is a perfect way to help change our membership culture. MySAL info can be found by clicking [here](#). **Who's next?**

A lot of people throughout our region and across the country are ill. Some from COVID-19, and others due to varying medical conditions. A lot of these people are members of Sons of The American Legion. Please take time to complete a Buddy Check on our members to let them know we are thinking about them and that we are here if they need us. Let them know we care!

Don't forget that this Wednesday is Veterans Day. As you all know, National Commander Clint Bolt has said for two years that we all will be **"Serving those who served...full steam ahead!"** To me, this means that we work to serve our veterans, with everything we have in us. How you choose to do that work, what you do to help, and how you thank our veterans is our decision, but we all need to continue our work for them. Remember, our veterans gave up a lot and made numerous sacrifices so we could live in the country we do today. Show your appreciation on Veterans Day, and every day!

Please let NVC Doc Pfeiffer or me know if you need help with something, and we will do what we can.

Continue **"Serving those who served...full steam ahead!"** **Who's next?**

Dear American Legion Family Members
and Friends,

The American Legion's [Buddy Check program](#) came along at the perfect time. A year before COVID-19 wreaked havoc on our lives, Legionnaires had already begun reaching out to older veterans in their communities to perform wellness checks.

That type of outreach became even more critical when social-distancing measures, quarantines and

stay-at-home orders became the norm. American Legion members dutifully checked in on at-risk members in their communities.

Thanks to these ongoing efforts during the pandemic, Legionnaires have been delivering needed medicine, food and camaraderie to older veterans who are unable or unwilling to venture outside their homes.

This Veterans Day and the holiday season that follows will be different than in the past, of course. The number of coronavirus cases is soaring throughout the nation. Instead of spreading cheer during these normal times of celebrations, many Legion posts will be forced to limit the size of gatherings, continue to conduct virtual events, or cancel them altogether.

We know the camaraderie that Legionnaires share — especially around Veterans Day, Thanksgiving and Christmas — is important to their well-being. Without those celebratory events this year, more veterans may sink into depression or contemplate suicidal thoughts.

That is why The American Legion has developed a special enhanced Buddy Check kit focusing on the well-being of veterans during this time. We are counting on all Legionnaires to be alert to the signs of depression and suicidality when they make these Buddy Check calls.

To assist Legionnaires, the new toolkit is available with information on how to make contact, engage in conversation about suicide and direct veterans to the appropriate services. [Review and download the kit here.](#)

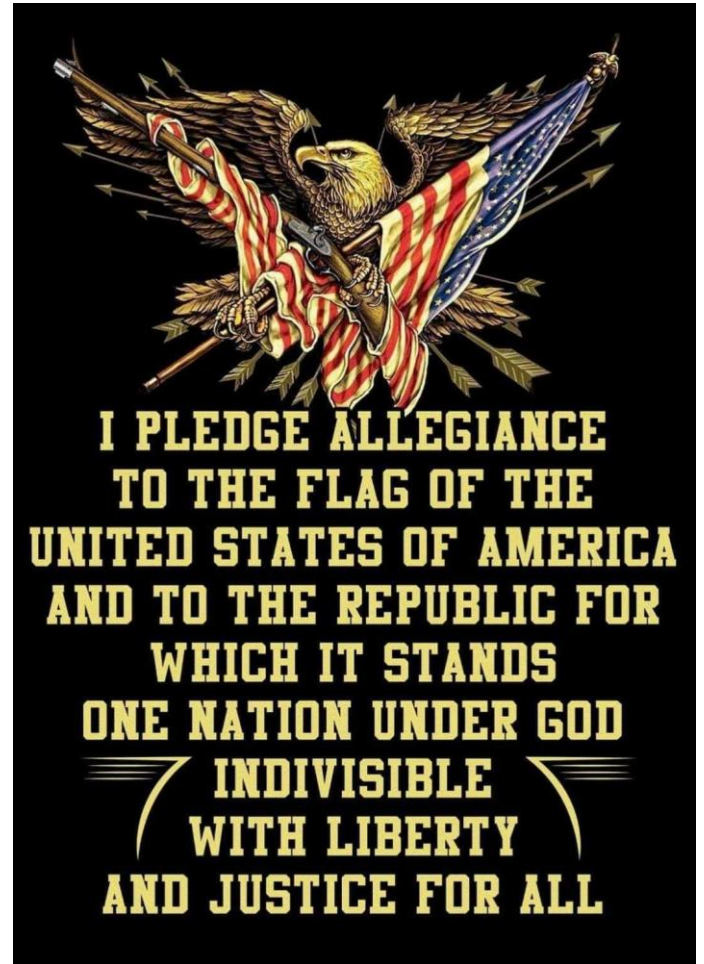

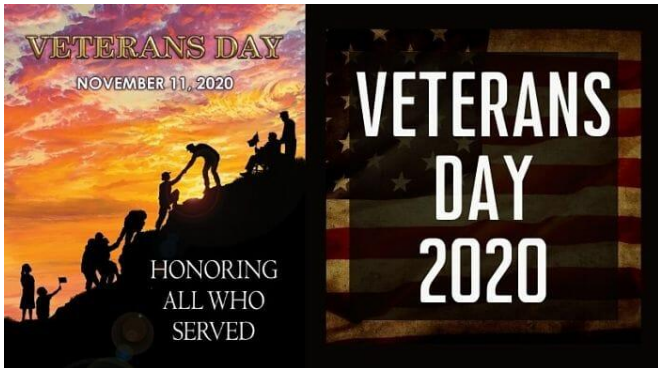

If you talk with a veteran in need of urgent help, call the Veterans Crisis Line at 800-273-8255 and press 1. Or text 838255. More information is available at the [Veterans Crisis Line website.](#)

Join me in reaching out to veterans in your community. It's quite likely that these check-ins will save the lives of veterans.

For God and country,

Amid hurricanes and wildfires, Legion Family aid their colleagues and communities

The American Legion
SEP 17, 2020

Days after American Legion Family members from across Alabama took relief supplies to Louisiana in the aftermath of Hurricane Laura, many were hunkering down as Hurricane Sally came ashore near Gulf Shores, Ala.

Sally made landfall as a Category 2 hurricane early Wednesday morning, bringing historic flooding to the area. The slow-moving storm dumped more than 30 inches of rain in some parts of the Florida panhandle and southern Alabama on Wednesday, killing at least one person and leaving thousands without power.

Sally is the eighth named storm to make landfall in the continental U.S. this year, the most ever through Sept. 16.

Hurricane Laura relief efforts. On Sept. 11, American Legion Family from across Alabama headed to Post 88 in Mobile, Ala., the staging area for the Department of Alabama's Hurricane Laura relief efforts.

"It would be impossible to estimate just how much merchandise we actually collected and sent," said Sons of The American Legion Southern Region National Vice Commander Blair Miles, the state's point person for relief supply collection efforts after Laura. "There were approximately 25 different American Legion posts throughout the state that contributed in collecting items. Legion Headquarters was also a central hub for Legions as well as private businesses to bring items. There were a couple of local churches that collected items and made hundreds of face masks for this."

Miles said several local grocery stores also donated trailer loads of merchandise to be delivered.

After spending the night in Mobile, the convoy of American Legion Family — including American Legion Riders, five 26-foot U-Haul trucks, a van, a large personal trailer, a 53-foot semi, and several "chase vehicles" — set out the morning of Sept. 12 for Baton Rouge, La.

"Louisiana's SAL National Executive Committee-man John Lawrence, who is also a sheriff's deputy, met our convoy at the Mississippi state line and gave us the 'blue light escort' all the way to the dis-

tribution center in Baton Rouge," Miles said. "That was awesome!"

At Magnolia Care Center Veterans Home in Baton Rouge, American Legion Family members from across Louisiana joined their Alabama comrades in unloading the donated supplies for distribution across the state.

"The American Legion all over the nation is a big family," Louisiana District 5 Commander Tina Cielatka said. "And I just came down to help my brothers and sisters that's part of that family. Seeing everybody here and seeing other departments part of that family come and help gives you a warm and fuzzy, it makes you feel good. It lets you know that somebody else out there is there to help."

Miles said American Legion Auxiliary members were on hand to distribute expedited emergency relief fund applications to other Auxiliary members there. And Louisiana officers including Department Commander Byron Comeaux, Detachment Commander Tommy Vasser and SAL Past National Vice Commander Camille LeJeune were on hand as well.

"They had recruited a large group of fine young men from local SAL Squadrons to greet and unload all of these vehicles," Miles said.

The threat of Hurricane Sally still loomed over the effort, Miles noted.

"About halfway through unloading, the skies opened up again and down poured on us the rest of the day," he said. "When we were finished unloading, we beat feet back to Mobile, as Hurricane Sally was just a day out and heading our way."

West Coast wildfires. While the Gulf Coast was enduring yet another hurricane threat, the West Coast was fighting a rash of wildfires that had caused some 30 deaths and dozens more missing.

Smoke from the wildfires had been carried by the jet stream all the way to the East Coast and beyond to Europe. More than five million acres have burned across California, Oregon, and Washington. With the wildfires still roaring, it was too soon for American Legion departments in those states to assess the full impact on American Legion posts and Legion Family members.

Department of Oregon Adjutant Flynn Phillips said in an email that Post 159 in Mill City, Ore., had

burned, and he knew of at least one American Legion member whose house had burned down.

NEF. American Legion posts, and American Legion and SAL members, who have been impacted by natural disasters like hurricanes and wildfires, are eligible for relief from The American Legion's National Emergency Fund (NEF).

The NEF provides up to \$3,000 for American Legion and SAL members with an active membership who have been displaced due to damages to their primary residence, and up to \$10,000 for posts that have been damaged by a natural disaster and whose programs and activities within the community are impacted. To apply for an NEF grant, please visit www.legion.org/emergency.

Some NEF grants have already been issued to American Legion members in Texas who were impacted by Hurricane Laura in late August. Through Sept. 15, the NEF had issued 48 grants totaling \$106,833 to help American Legion posts and American Legion and SAL members in 2020.

Since its creation in 1989 in response to the devastation of Hurricane Hugo, the NEF has provided more than \$8 million in direct financial assistance to American Legion and SAL members and American Legion posts.

Donations are also accepted to fund the NEF. One hundred percent of donations to the NEF directly help veterans and their families recover from natural disasters. To donate to the NEF, click [here](#).

National Emergency Fund. When natural disasters like tornadoes, floods or wildfires strike, The American Legion's National Emergency Fund

swiftly delivers needed money to veterans in their communities.

What's in your wallet?

We have all heard the television commercial with the phrase "What's in your wallet?"

As a member of the Sons of The American Legion, this "slogan" should be of great importance to our membership campaign.

The SAL wallet should contain an application to the Sons of The American Legion, The American Legion, and The American Legion Auxiliary.

We can add to that wallet by inserting a donation envelope for The American Legion Child Welfare Foundation, the National Emergency Fund, the contact information to your US Senator and US Representative.

You should also have a calendar of American Legion Family events at the Squadron, District, Detachment, and National levels. Your wallet should also contain your volunteer card to your area veterans' hospital, your blood type, and organ donor information.

We cannot forget that your wallet should contain at least one dollar in case you are caught eating with your cap on.

Your membership requires you to carry a large wallet, not necessarily for monetary donations, but to promote the programs of The American Legion.

We are proud possessors of a priceless wallet. Don't leave home without it!

We Remember

It is with profound sadness and a heavy heart to regretfully inform you of the passing of Sons of The American Legion Past National Commander Steve C. Laws from complications of COVID-19.

Steve Clinton Laws, 76, of Hickory, NC passed away Thursday, November 5, 2020 at Frye Regional Medical Center in Hickory.

Born January 8, 1944 in Caldwell County, he was the son of the late Max M. Laws and Hazel

Crump Laws.

Steve was a graduate of Happy Valley High School and Blanton's Business College. He was always active in the community serving as President of Newton-Conover Jaycees, Vice President of N.C. Jaycees, and National Commander of Sons of the American Legion. After his family, veterans were Steve's passion as he was an advocate for SAL for over 30 years. He was a member of the Hickory Elks Lodge and served as Chairman of the Veteran's Committee.

He enjoyed the mountains, the beach, playing golf and spending time with his family and a host of friends. He never hesitated to speak up and speak out. He often joked about his prosthetic leg as he often took it off even on the dance floor. Steve was generous, often to a fault. He was loud and loving and his presence will be deeply missed.

He is survived by his wife of 57 years, Linda Davis Laws of the home; daughters: Angie Laws of Hickory, Annette Laws Wilson and husband Robert of Hickory; brothers: Larry Laws of Lenoir, Terry Laws of Lenoir, Buddy Laws and wife Wanda of Charlotte, Randy Laws and wife Gwin of Lenoir, Jerrell Laws and wife Lynn of Hudson; sisters: Linda Bentley of Hudson, Kathy McCord and husband David of Concord; grandchildren: Brooke King and husband Justin of Raleigh, Alec Griffin and husband Michael of Charleston, Seth Wilson of Hickory, Matthew Reitzel and fiancée Jenna of Ft. Mill, SC; and a number of nieces and nephews.

Due to COVID-19 restrictions, the family will hold a private memorial service followed by a huge celebration of Steve's life with music, laughter, and sweet memories at a later date.

In lieu of flowers, memorials may be made in his memory to the Hickory Elks Lodge Backpack Program, 356 Main Ave., NW, Hickory, NC 28601.

Bass-Smith Funeral Home in Hickory is serving the family of Steve Clinton Laws.
